

THE HOTEL

Just off of Fifth Avenue at 56th Street, in one of New York's most exciting upscale retail and fashion districts, is this ultimate modern hotel. Chambers offers its guests the perfect match of cutting edge, cosmopolitan style and an unparalleled service standard. In 72 rooms and five suites, Chambers indulges and caters to its guests, raising hotel life to, literally, an art form.

Má Pêche

It's the fifth restaurant from the Momofuku restaurant group folks. We serve French bistro style food with Vietnamese flavors. Our menu is market driven and changes regularly. The style of service and atmosphere is similar to the other Momofuku restaurants, however, the dining room is larger, and features two different levels as well as a full bar and Milk Bar. We also serve guests in the Chambers mezzanine and in-room dining.
